

Acknowledgement of sponsorship

This event has been sponsored by Chiesi Farmaceutici S.p.A., who have had no input into the event content or delivery. An outcomes summary report will be shared post-event. A copy will be shared with Chiesi Farmaceutici S.p.A. as part of the sponsorship package.

Alpha-mannosidosis virtual community meeting

Thursday 27 November | 19:00-21:30 CET | online

Join individuals and families around the world who are affected by Alpha-mannosidosis for a unique opportunity to connect, share and support one another.

Why join?

- **Connect** globally with others affected by Alpha-mannosidosis
- **Share** experiences, ideas and challenges
- **Learn** about unmet needs and recent research updates
- **Explore** interest in further online, personal meet-ups
- **Build** a supportive international community

Language support

Presentations will be in English. Where possible, we'll provide AI-powered translation and offer breakout rooms for discussions in your own language.

Recording

This meeting will be recorded for monitoring and reporting purposes.
